

► Performance & Filtration Minerals Europe

To Whom It May Concern

Date: 31/01/2012

Dear Imerys Customer,

We wish to inform you that with effect from 11/04/2012, Imerys Performance & Filtration Minerals (Imerys PFME) will no longer be using IMCD Nordic (Sweden, Denmark, Finland) and IMCD Baltic (Estonia, Latvia, Lithuania) as the distributor for World Minerals products (fillers) in these countries and Termidor (Sweden) as the distributor for Imerys Ceramic France (ICF) micas in Sweden, Denmark, Finland and Baltic States.

Distribution of these products in [Sweden](#) will be taken over by the following distributor:

ACM AB Hulda Lindgrens gata 8
421 31 Västra Frölunda
Sweden
Contact person: Mr. Tommy Petersson
Tel: + 46317099430 Direct +46317099433
Mobil : +46317097416 SMS +46761469431
Fax : +46317099431
E-mail: tommy.petersson@acmgroup.se
Web: www.acmgroup.se

You will be contacted directly by ACM AB in the coming days to discuss in detail trading conditions as well as your logistic and other needs to ensure the smooth transfer of supplies of these products to you.

IMCD Nordic, IMCD Baltic will, however, remain your logistic partner for supply of World Minerals products till 11/04/2012 as well as Termidor will remain your logistic partner for supply of ICF micas till 11/04/2012.

This change is driven by Imerys PFME project of rationalisation of its current distribution network to make the new above-listed more efficient in terms of management of current / prospective Imerys PFME product portfolio, technical support for our customers with an objective to offer to our customers multi-mineral product and service package via single distribution channel.

► Performance & Filtration Minerals Europe

The above-listed distributors will therefore be responsible for marketing, sales and distribution of the following products:

- Kaolins;
- GCC;
- Micas;
- Diatomite (fillers only);
- Perlites (fillers only);
- Alumino-silicates (fillers only);

We would hereby thank to [IMCD Nordic](#), [IMCD Baltic](#) and [Termidor](#) for their contribution in supporting Imerys PFME World Minerals business and ICF mica business till 11/04/2012.

Do not hesitate to contact me if you have questions regarding the change in Imerys PFME distribution network.

Regards,

Allan Kupka
